## MENU OF SERVICES

### EYELASH EXTENSIONS

60-120 minutes

#### CLASSIC FULL SET 80.00

Less is more with this pretty set. The classic set gives you a natural, 24/7 mascara look with added length. One individual lash is placed on each of your natural lashes. Results are dependent on the health and quantity of your natural lashes. You can book any style and curl with this set (includes lengths 8-15mm).

#### HYBRID FULL SET 95.00

Enjoy a lil' more volume with this super flirty, wispy look. The hybrid set is a mixture between the natural look achieved by the classic set and the fullness achieved with the volume set. Perfect for an everyday look with an extra P O P. You can book any style and curl with this set (includes lengths 8-17mm).

#### VOLUME FULL SET 120.00

Get sexy and bold with Va-va-volume! The volume set is for the client seeking a super glam look by adding loads of fluffy, thick drama to the natural lashes. You can book any style and curl with this set (includes lengths 10-20mm).

### EYELASH FILL-IN SERVICES

Refills are recommended every 2-3 weeks to maintain the cleanliness and longevity of your lashes. Your lashes will grow and shed naturally, sustain a full lash line by booking consistent lash fills. Available to clients who have had a recent appointment (Up to 21 days post application) and have maintained at least 40% lash retention (more than 20-30 lashes per eye).

#### CLASSIC SET FILL-IN 55.00

#### HYBRID SET FILL-IN 65.00

#### VOLUME SET FILL-IN 75.00

### OTHER LASH SERVICES

#### EYELASH EXTENSION REMOVAL 30.00

This service guarantees your lashes will be safely and professionally removed. Do not remove your lashes by yourself. Pulling out your lash extensions or other improper removal techniques will result in damage to your natural lashes and lash line.

#### LASH BATH 25.00

A lash bath provides a refreshing cleansing to your lashes to remove build up from natural oils and/or makeup. A lash bath administered by a certified lash technician is recommended after your second lash fill. Regular lash baths help to ensure the longevity of your lash extensions.
